# Training

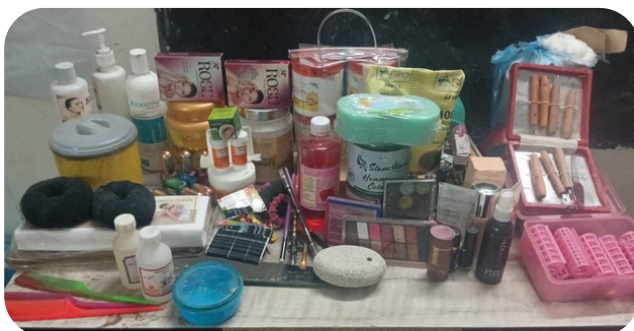

## Apparel Training

Apparel training equips individuals with the skills and knowledge needed to work in the clothing and fashion industry. It covers areas like garment construction, fabric selection, pattern making and stitching techniques. This training is essential for careers in tailoring, fashion design, garment manufacturing, and apparel merchandising.

## Beauty and Wellness Training

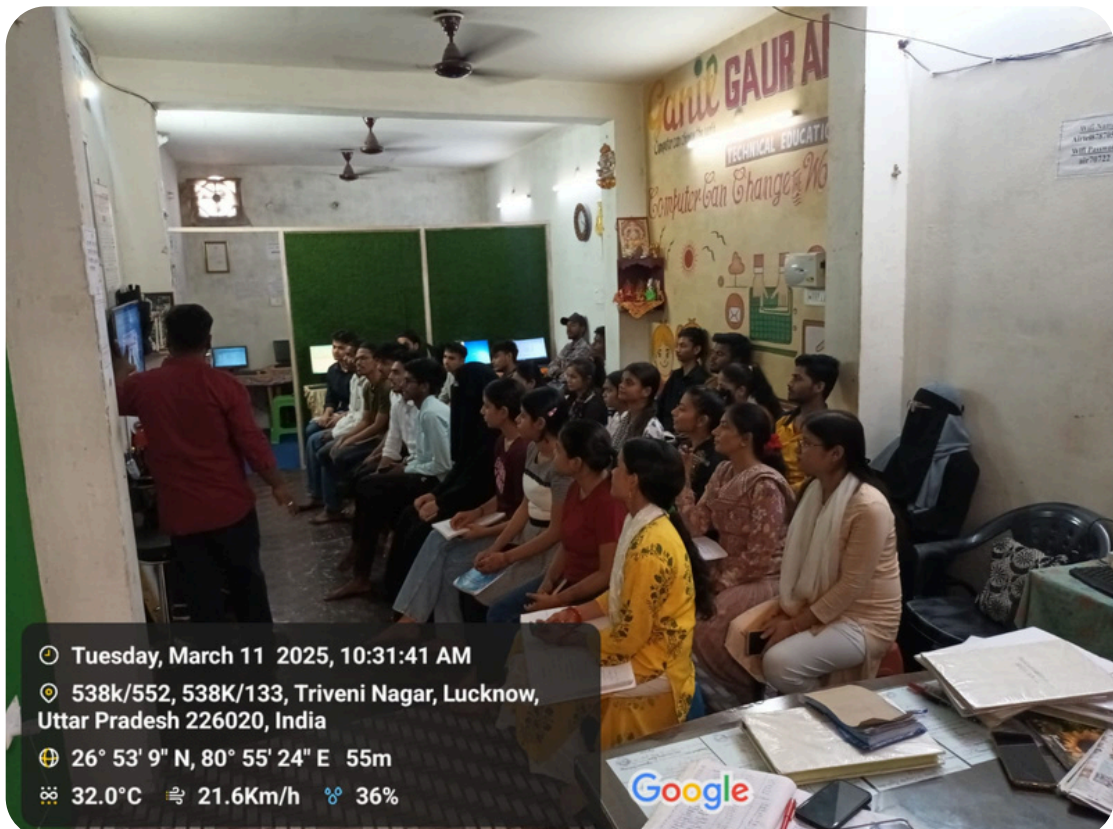

We provide professional Beauty and Wellness Training that prepares individuals for a successful career in the beauty industry. Our program covers skincare, hair care, makeup, grooming, spa treatments, and wellness practices. With hands-on learning and expert guidance, participants gain the skills and confidence needed to work in salons, spas, or start their own beauty business.

# CSR Infosys Training

We offer the Infosys CSR Training Program, an initiative by Infosys Foundation aimed at enhancing employability for underprivileged youth across India. This program provides training in core technical skills, soft skills, and job readiness.

# Assesment

We provide comprehensive Assessments to evaluate participants' skills, knowledge, and job readiness. These assessments help identify strengths, areas for improvement, and ensure effective learning outcomes across training programs.

# Placement (Rozgar Mela)

We organize Rozgar Melas to connect job seekers with employers through on-the-spot interviews and job opportunities, helping bridge the gap between talent and industry needs.

# RPL Media SSC Seminar in India Gate

We hosted the RPL Media SSC Seminar at India Gate, an initiative under the Recognition of Prior Learning (RPL) scheme.
